What can you expect from the FSHN GSA?

- Fun events that often involve food!
- Academic seminars (students practice for defense, research talks w/ coffee and donuts for new faculty)
- Casual meet-ups (mental health walks, free ice skating, bowling, grabbing coffee or lunch, on-campus seminars with ~free~ food, etc.)
- A community where we hope you feel comfortable asking us and other grad students questions! **If you're thinking it, someone else probably is too!**
