

Approved Dietetics Work Experiences:

Any University of Illinois paid or unpaid experience that includes:

- Food and nutrition-related research
- Work in Dining Services, Athletics or Extension.

Any off campus experience needs prior approval by the Program Director.

Ideas for possible dietetics work experience off campus (paid or unpaid) include:

- Shadowing or assisting a Registered Dietitian Nutritionist in a work setting
- Working in Institutional Food Service (including hospitals, clinics, long-term care centers, summer camps, etc.)
- Working as a Diet Technician in a hospital or clinic
- Teaching adults or children about food and nutrition (at a summer camp, grocery store, etc.)
- Conducting food and nutrition research (under the supervision of a Registered Dietitian Nutritionist or one with a Ph.D. in a food and nutrition-related field)
